

# Pronunciation 2018

**Title:** English Pronunciation. A training course for teachers who want to work on Pronunciation. Learn how to help your students to correct typical pronunciation problems. E.g. "i" and "ee", "ch" and "sh".

**Duration:** 56 hours

**Preparation:** Teachers should be aware of the importance and significance of pronunciation and be open to corrective action and exercises to achieve correct English pronunciation. Course participants are requested to bring their own laptops to use during the course.

**Objectives:** To perfect course participants' pronunciation and to expose teachers to methods and ideas for teaching pronunciation to their students.

**Methodology:** The communicative approach to language teaching and learning is used in all sessions. Workshops and guest speakers are also used in the course.
